

WhiteDove Herbals Launches New Website Womenopause.net

Natural menopause relief in an herbal blend designed to cool hot flashes while balancing hormones during menopause.

Boulder, CO ([PRWeb](#)) May 27, 2008 -- Boulder, Colorado based WhiteDove Herbals, Inc, formulators of highly effective, all natural herbaceutical wellness products, is pleased to announce the launch of their new website www.womenopause.net.

Womenopause.net is an online platform for WhiteDove's product WOMENOPAUSE®, an herbal blend offering natural hot flash relief while balancing hormones during menopause.

Additionally, Womenopause.net also offers many other resources for menopausal women. Complete with an online forum and blog, Womenopause.net is to serve as an online community for menopausal women while offering them information, alternative remedies, and natural relief for menopause.

Created by Linda Whitedove, formulator and medical herbalist for WhiteDove Herbals, WOMENOPAUSE® was designed for women seeking an alternative to hormone replacement therapy. "I am excited for this opportunity to offer WOMENOPAUSE® to women all over. The web is such a new and exciting medium to share and discuss natural and herbal remedies for menopause."

For more information about WOMENOPAUSE®, please contact WhiteDove Herbals or visit www.womenopause.net.
